

SALTAIRE VOLUNTEER FIRE COMPANY

2025 - 2026 - 2027

CAPITAL CAMPAIGN

GOAL: Raise \$750,000 over 3 years

WHY?

The Fire Company's apparatus fleet is aging, our current firehouse is approaching 30 years old and needs to be modernized, and our emergency response needs have grown. This campaign will help reduce the pressure on the Village to increase taxes and/or to borrow more.

The SVFC must plan for the replacement of the following apparatus and life saving equipment in the next 5 years:

1999 Dodge Rescue Truck = **COST \$370,000**

This vehicle is more than 25 years old and will be retired ASAP. It's our versatile "toolbox on wheels," carrying ladders, saws, portable generators, etc.

2003 Ford Engine & Pumper = **COST \$650,000**

This is the older of two pumpers and is due for replacement. It carries 300 gallons of water and pumps at 1000 gallons per minute but seats only two members.

2006 EMS/Fire Quick Response Vehicle = **COST \$100,000**

This "mini-ambulance" vehicle is rapidly aging and lacks safety features and capacity. It's small and able to navigate boardwalks and arrive faster than a full size apparatus.

2006 Fire Quick Response Vehicle = **COST \$100,000**

This small "golf cart" size vehicle carries four responders and is also rapidly aging. It's used for unique parts of Saltaire that have dead end blocks or other challenges.

2 LifePak 15 Monitors = **COST \$130,000**

When we respond to medical emergencies, these monitors send EKG and other potentially life saving vital signs information directly to the hospital.

LUCAS Auto CPR Device = **COST \$25,000**

This machine automatically administers perfectly timed CPR chest compressions in case of a long transport with limited personnel. Recently used to save a life this Summer!

45 Min. Compressed Breathing Air Tanks (60) = **COST \$70,000**

SALTAIRE VOLUNTEER FIRE COMPANY

2025 - 2026 - 2027

CAPITAL CAMPAIGN

GOAL: Raise \$750,000 over 3 years

We have various donation levels and will be sharing more information over the course of the coming year.
